Gary Breuckman

We have had our last meeting at Aero Park - so please note the new location and day. We've made arrangement for holding our meetings there through December, and of course if everything is good for us there, we will continue.

It's time for elections again. There are three positions on the Board up for election. The terms expiring belong to Scott Makowski, Bonnie Pollich, and Kelly Wellhausen. Nominations are due by the July Board meeting, so if YOU are interested, or have someone in mind, please talk with an Officer or Board Member.

For the benefit of new members: there are nine board members, three are elected each year for three-year terms. The Board then elects the club officers at the August Board meeting.

There are still a few checks coming in for the Smelt fry - if you haven't sent yours yet please do. There will be a final accounting soon but the numbers look close to previous years, which is good.

Summer events - please think about what you might like to do. We have some highway cleanups coming, one soon (July 17) - come and help - it's fun and we have some fellowship and debriefing afterwards.

Waukesha County raffle tickets are available, same price as in past years, \$1 each, \$5 for six..

Dick Killian has passed away - active with AWSC for many years, some of us had met or worked with him.

AWSC 'pink letter' issued

For a copy of the complete notice, come to a meeting or look on our website, <http://www.snobirds.org/pink0703.html>

The Chequamegon-Nicolet National Forest is in the process of writing a new Land and Resource Management plan and is inviting the public to comment on the Proposed Plan and draft Environment Impact Statement. The AWSC has identified several issues in the Proposed Plan that will affect snowmobile access in the Chequamegon-Nicolet National Forests. We need to have you pass this information on to your club members so we can get as many people as possible to send in comments to the Forest Service. The trails we have in the National Forest are an important part of our trail system we have in Wisconsin and we have to make sure the Forest Service recognizes there are issues that will have an effect on snowmobiling in the Forest. The deadline for comments is July 11, 2003, so please don't delay.

Federal Trail Money

Dennis Mayer

Sledders:

Federal Trail Money to States are pending in Wash., DC from Federal Gas Tax money.....

ADOPT-A-HIGHWAY 2003

Joe Mingari

The first cleanup of the year has been completed. Strange as it may seem, I wasn't there. As it turns out, I probably would have better off had been cleaning the roadway.

I was fortunate to have Ed Pollich step in and get the job done when I needed help.

I'm not real sure as to what the weather was like but I will assume that it was at least dry.

Twelve Snobirds were present, and started at 9:05. The job took till noon to complete.

There was no money or tools found along the way but many beer and soda cans were picked up. Rumor has it that most of the paper retrieved was wet and heavy.

My thanks to:

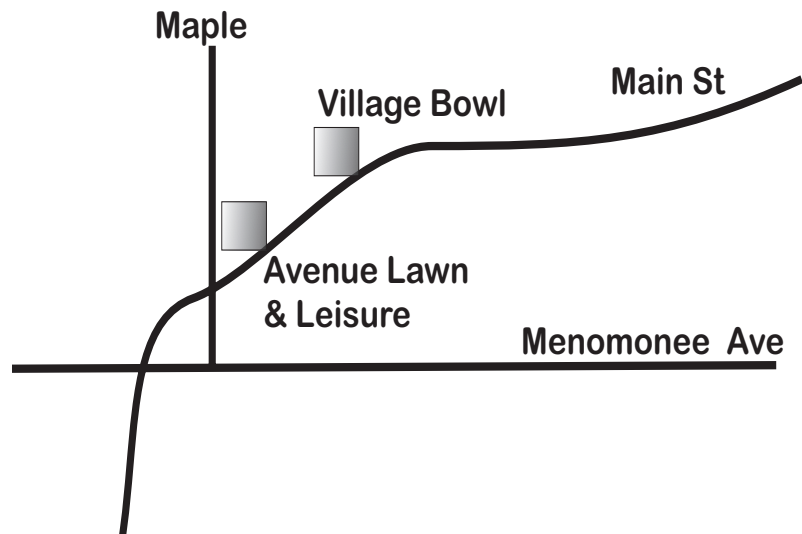

Gary & Betsy Breuckman, Dick Brunow, Steve Biehl, Bev Makowski, Jim & Sue Nuck, Bill Schultz, Judy Smiley, Ed & Bonnie Pollich, and Ron Wendt.

All veteran highway clean up people. These are the ones that can be depended upon when the chips (or debris) are down.

Mark your calendars for the next cleanup in July. It will be on the seventeenth at six PM.

Yes, I will be there.

Joe

Meetings are now on the second Tuesday of the month at the Village Bowl in Menomonee Falls, 8 p.m.

N86 W18830 Main St

1/2 mile NE of the corner of Main St and Menomonee Avenue
