Our Christmas party in December was really great! If you missed it, you lost out on an excellent dinner. I know there are other things that we need to commit time to, but this is great food, fellowship, and is FREE to boot, paid for by your hard work throughout the year. See you next year. The Schwabenhof once again outdid themselves, we had a nice assortment of food and none ran short.

We have had to cancel a couple things, based on the weather and other factors. First there was the Phillips snofari. There was no snow on the ground a week before, and none expected. I know some folks were chomping at the bit, wanting to go. Next time.

The attendance at our safety classes was low this year. The December class had 11 registered, and 9 attended. The January class had only three families pre-registered four days before the class, so we had to cancel it. Two more folks called after that, but it would not have been enough anyways. Weather, no snow, who knows why the lack of interest - we had publicized the class through the Menomonee Falls recreation department's bulletin, WCSA, our website, and the DNR's website. In the past, most have told us they found us on the DNR's pages. We're used to 25 to 35 students per session. Low attendance seems to be a common problem this year.

There are still four more snofari's pending, be sure to get out and enjoy winter. Our smelt fry is April 15th! Talk it up so folks are ready to buy tickets. A good turnout is important as this is our major fundraiser for the year, so please come and get your friends to come also.

## Mole Lake Snofari 2016 Friday Feb. 5 - Sunday 7th.

The Snobirds have been having a Snofari in the Laona/Carter area for many years. This year we will be staying at the Mole Lake Casino Lodge and Conference Center, a 75 room lodge with an attached casino.

Some of the crew will be arriving Thursday Feb. 4th.

The website is:

**<http://www.molelake.com/Hotel/RoomRates.html>**

and the number to call for reservations is 877 478-5772

The block name is SNOBIRDS. There are several room configurations available.

We will be having informal hospitality around their large pool room in the evenings.

The Cafe Manoomin restaurant is located in the casino building.

The Mole Lake Lodge has a gas station adjacent to the grounds, which stays open late.

The entire area has an excellent network of trails, and is know for very ridable trail conditions especially at this time of year.

If you have any questions, please give me a call, 414 379-2362
