As you can see in the calendar and other pages in this issue, there are six trips scheduled for this winter so far. Something for everyone. You need to call and make your own reservations, so don't delay if you want to go - once the rooms are gone, they're gone!

We have safety schools scheduled for December and January. There are probably TOO MANY safety classes around (or too few students), and we've had problems getting enough students for the last two years. We had to cancel one class in each year, one in December and one in January, because we didn't have 10 students. Please let folks know about our classes. They were published in the Menomonee Falls Community Center guide that went out to everyone in the Falls, in WCSA's class listings, and are on the DNR's in-person class signup list, but folks just aren't motivated if there isn't snow on the ground. If you/they were born after January 1, 1985, you need the class. How old you get after that doesn't matter, so don't get caught without your safety certificate if you need one. The times and such are in the calendar and on our website, and participants can sign up with me (Gary, 414-442-4279) or online (<https://gowild.wi.gov>). There are totally online courses, but you have to be 16 years old to take them, and it costs 2.5x what the in-person class does (\$10). Everyone is welcome, even those born earlier who aren't required to have the class.

Please come to our Christmas Party and Dinner. It's at the the Bowling Alley this year, in the room next to our meeting room. Please see De Anne for your reservation and \$5/person refundable deposit - we need it to get a good count. You will get the deposit back at the dinner.

Notes from our President Pat Standlee

Well I told you it would snow, just not enough to ride on yet. So here is our list of Snofaris for the upcoming season. Once again we have a very full calendar. I hope all of you will join us at these club rides that have been planned for us to enjoy. My thanks to those of you who organized these rides. These rides are fun for the whole family, a great way to meet other riders in our club and just have a great time up north in the snow. So please book you rooms early and tell the desk clerk that you are a member of the SnoBirds Snowmobile club located in Menominee Falls Wisconsin (just so they dont mistake you for the other snowbirds club) here is the list:
