The main topic at the last Board meeting was the Smelt Fry. We have had people volunteered for all the major areas, and everything we can plan for ahead of time has been done. Everyone has tickets, and more are available if you need them. Please call me (414-442-4279), email (info@snobirds.org) or ask at a meeting for tickets or posters. Please help at the Smelt Cleaning or Smelt Fry if you can. Remember the Smelt Fry subsidizes our many free events (Picnic, Corn Roast, Christmas Party) so it's to your advantage to sell tickets if you are able. Numbers have declined some almost every year, so please pass the word.

The DNR has been quietly reorganizing its Wardens. There are a number of Wardens assigned as "Safety Wardens" (RSW's) to help with safety classes, administration, and so forth. Those numbers are down, so the areas were made larger, and now the plan is to eliminate that position entirely and reassign the RSW's to normal Warden duties. They have also eliminated the "Ranger" positions that watched over Recreation areas, trails, campgrounds - and the normal Wardens are being used for that too. So, you will likely see fewer Wardens available for safety classes, and for snowmobile enforcement activities - although there are still Police Officers and Deputy Sheriffs to fill in for that. Our local RSW is retiring early as he doesn't want to accept a change in what he was doing.

There have been a number of members and ex-members who have been hospitalized for various problems recently - some you have been told about in emails. I'm not naming names because I don't want to mention anyone who doesn't want the info public, but I'm sure we all wish them the best for a quick recovery.

Christmas Party

Our Christmas Party this year was held at the party room at the Bowling Alley. I think most everyone liked the food at Village Bowl. One nice touch was that the youngsters were served first, at their tables, which made the rest of the food service run much more smoothly. While the food was good, we were more crowded at Village Bowl. If we are there next year, perhaps we can find a way to use both rooms.

There were more youngsters this year, and Santa was well received. There was a nice assortment of gifts for them.

We had some raffles, one for a Snobirds Jacket and others for a number of baskets with various contents. The raffles raised about \$165.00

Adopt-a-Highway

Our last adopt-a-highway was sunny and a little cooler. With the help of 14 people our last highway cleanup went quickly. For the years end results we had a total of 67 people-hours for the three cleanups. Thanks to everyone who helped this year and also to Pat and DeAnne who put on a great luncheon after the cleanup.

Our dates for the coming summer are:

Saturday May 5, starting at 9:00 am. Meet at Whiskey Corners.

Thursday July 12, starting at 6:00 pm.

Saturday October 6, starting at 9:00 am.

The first two dates will debrief at Whiskey Corners following the cleanup. The third cleanup usually involves a picnic luncheon and get-together to be announced.

Jeff Pietrzak.
