## CLUB OFFICERS & BOARD, 2018/2019 SEASON

So, it's time for another membership year. Your renewal forms are ready, if you were at the September meeting you received them there, otherwise they will be coming in the mail. We've kept the prices the same, \$30 for renewals with work hours, \$40 for new memberships or renewals without hours. Long-timers in the club can remember back when we had 250 families in the Snobirds which was also our limit. Members without the work hours not only paid the higher rate, but went to the end of any waiting list and perhaps didn't get to join for that year. Please mark any changes or fill in missing data on your membership form and return it with your dues - it helps us keep track of your renewal.

We kept the prices the same, but as you all know the profits from the Smelt Fry and also other fundraisers like the WCSA raffle tickets are all down - we didn't raise membership rates but we will likely have to charge a token fee for some the events you were getting for free, like the Christmas party and dinner.

AWSC is also talking about their membership year, both in terms of rates and also changing the dates of their 'year' - it seems there are a number of clubs where members join every other year, and because of the timing they are able to buy two years' worth of discount trail passes with one membership year, then will join again in year three. AWSC wants to change their year to match the trail pass expirations so this won't happen, but if they do it will still be several years down the road - it needs approval of the membership. The SnoBirds don't WANT to change our membership year to match, so we oppose this for now.

We are looking at holding the Christmas Party and Dinner at the Village Bowl again, but using a different room arrangement so it's not so crowded.

# Adopt-a-Highway

## Last Session will be Saturday October 6, 9:00 a.m.

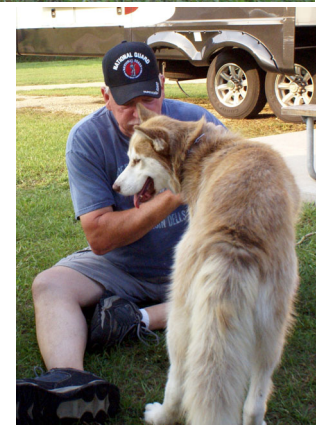

Our last Adopt-a-Highway session for this year will be on Saturday October 6, meeting at Whiskey Corners leaving promptly at 9:00 a.m.

Come join us for a nice Fall walk, followed by lunch.

# Camping, August 24 - 26

A little less populated this year, we had three couples in attendance, Pat & De Anne Standlee, Ed & Bonnie Pollich, Gary & Betsy Breuckman (& Nikki). This was the second time the SnoBirds had been to Wilderness Campground in Montello, the last was 5 years ago, in July of 2013. The campground is larger and has a lot of improvements since we were there last.

# Corn Roast, August 14

# Picnic - July 28th

OK, it's not  
JUST  
the food...
